THE 1972 REFLECTOR

Youth In Action

With quicksilver speed, the days fly past
And leave their brand on ceaseless time,
While on and on, with cautious haste,
We seek, and learn, and work, and grow.

To the pulse and beat of the future's call
We strive to find our hopes and dreams;
Tomorrow's adults, through a maze of years,
Busily being the youth of today.

Dedication Of 1972 Reflector

It is the pleasure of the 1972 Reflector staff to recognize a respected teacher and coach, Mr. Robert Kramer.

Creating an interesting atmosphere with touches of humor, Mr. Kramer conducts three geometry and two algebra I general classes. In addition to his teaching responsibilities, he devotes much time after school coaching the freshman basketball, varsity baseball, and senior class powderpuff football teams. He is also the adviser to the Chess Club and the 1972 Senior Class.

In honor of his various contributions to Buckeye, we are proud to dedicate the 1972 Reflector to Mr. Kramer.

Melanie Miller presents Mr. Kramer with a cream pie at the last pep rally.

Muskie Nominated As 1972 Presidential Candidate At Mock Convention

Buckeye's Seniors wanted to be informed and ready to use their newly-granted voting privileges in the 1972 Presidential election. To do this, Mr. Clark's government classes planned a day-long Mock Presidential Nominating Convention on a nonpartisan basis. Ten political figures were chosen to run as nominees, each portrayed by a Senior who campaigned and gave speeches to get his man elected.

The Seniors and 80% of the Juniors served as delegates representing the fifty states proportionally. The nominating committee planned the agenda and conducted the proceedings similar to a real-life convention.

On December 14, delegates and candidates assembled in the gym for roll calls, platform decisions, and many votes. Senator Muskie, played by Greg Maceau, finally came out the winner with Henry Jackson as his Vice-Presidential running mate.

Annual Staff Moves Headquarters

While the 1972 Reflector Staff met deadlines, took pictures, worked on layouts, and proofread pages, they moved their headquarters to the old A.V.A. room. Over Christmas vacation, staff members spent many hours painting and moving into their new room. This change gave the staff larger working space for a more efficient job. Staff members are busy everyday of the school year preparing the book for publication. The 1972 Reflector staff sincerely wishes that this book will be cherished for many years.

Y-Teens Host "Hanging Of The Greens"

For the first time, the Buckeye Y-Teens hosted the "Hanging of the Greens." This presentation was a ceremony to open the Christmas season. Highland, Brunswick, Cloverleaf, Medina, and Buckeye Y-Teens gathered to decorate a tree, perform a skit, and hold a candlelighting service - all part of the traditional ceremony.

Members of Y-Teens collected clothing to be given to the poor in Appalachia. At Thanksgiving time, the contents of two food baskets were collected from the club members, and given to needy families in the area. The Thanksgiving Assembly was also presented by the club. The girls sold candy to help finance the YM-YWCA swimming pool.

With smiles and tinsel, these Y-Teens prepare for Christmas.

An experiment turned into a hit as the Dramatics Club performed Buckeye's first musical, YOU'RE A GOOD MAN CHARLIE BROWN. This musical comedy included a super-dish dance by Snoopy, Charlie Brown tunes sung by the cast, and talented acting. After two public performances of this play in November, the club prepared a second dramatic production, **UP THE DOWN STAIRCASE** for the public in April. With devoted behind-the-scene committee workers, both presentations proved to be successful efforts.

Student Council Obtains Milkshake Machine

Student Council was instrumental in obtaining a milkshake machine for use in the cafeteria during lunch periods. The shakes were sold for 25¢ each. The Council presented a feature-length film to the student body every six-week period. They also sponsored a singing group, "The Second Session," who offered all kinds of music from folk to rock at an assembly. The art classes partially planned a school emblem, and the Student Council sent it to Josten's to be finalized.

Choir Program — Spring Fling —

During the year, the choir sang for such occasions as Thanksgiving, Christmas, and baccalaureate. Singing and dancing to popular tunes from several generations, the choir presented their biggest annual event, Spring Fling. Old fashioned bathing suits set the mood for songs such as "By the Sea" and "Merry Oldsmobile" in the opening scene followed by midiskirts and excerpts from the musical "Oliver". The excitement of a carnival brought laughter from the audience as clown stunts and a tiger accompanied the vocal performances. Concluding the program the singers created a romantic atmosphere with "Try a Little Tenderness" and "I've Gotta Be Me" in the traditional formal scene.

Buckeye's 1971 football team under the experienced leadership of coaches Lewis, Clark, and Schar, completed an outstanding season of 5-3-1. The most rewarding Victory was against Firelands. Firelands was second in the Inland Conference. Buckeye, playing a tight defensive game, had the honor of being the only team to shut out the Falcons in a 7-0 match. The Bucks held Firelands to minus-yardage in the first half. It was indeed a glorious quest.

Basketball Season In 7 Years

Buckeye's Varsity Basketball team compiled a 10-8 record. This was the best season Buckeye had had in seven years. Getting off to a good start, the Bucks defeated Norwayne by the score of 55-41. The two teams were pretty well matched on the board but Buckeye had some streaking fast breaks which decided the outcome of the game. The Buckeye roundballers rolled up their biggest score of the season by trouncing Keystone 92-58 with all twelve players breaking into the scoring column. Buckeye also battled state-ranked Columbia for three quarters before finally falling 72-89. This was probably the best game the Bucks had played in 1972.

Seniors

"The Past We Inherit; The Future We Create"

For the senior class, the year was filled with the many things, great and small, that have always been a part of the senior year.

The year began with the delightful and suspenseful homecoming festivities and as the year progressed, signing senior pictures, ordering graduation announcements, and being fitted for caps and gowns, were just part of the fun of being seniors.

During the second semester, seniors obtained a great deal of freedom, as they were released from the boredom of study halls.

Ending the year, graduation brought about the end of one life--and the beginning of another.

Leading the Class of 1972 in its final year at B.H.S. were: Bruce Kerns, president; Tom Vasel, vice president; Chris Zacharias, secretary; and Jackie Muntz, treasurer.

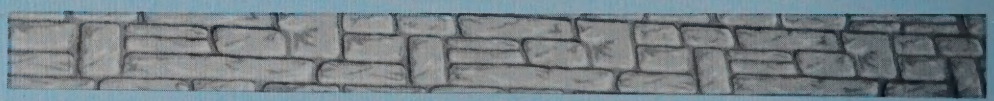
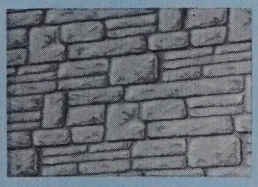
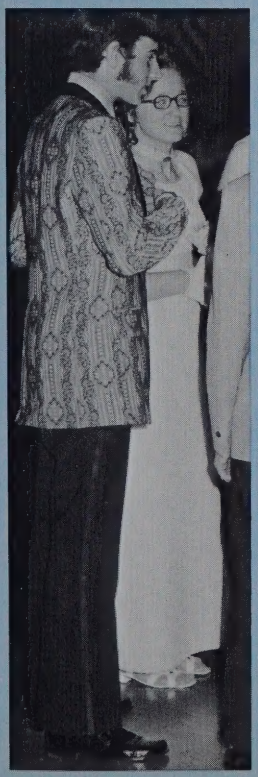
Prom '72
Camelot

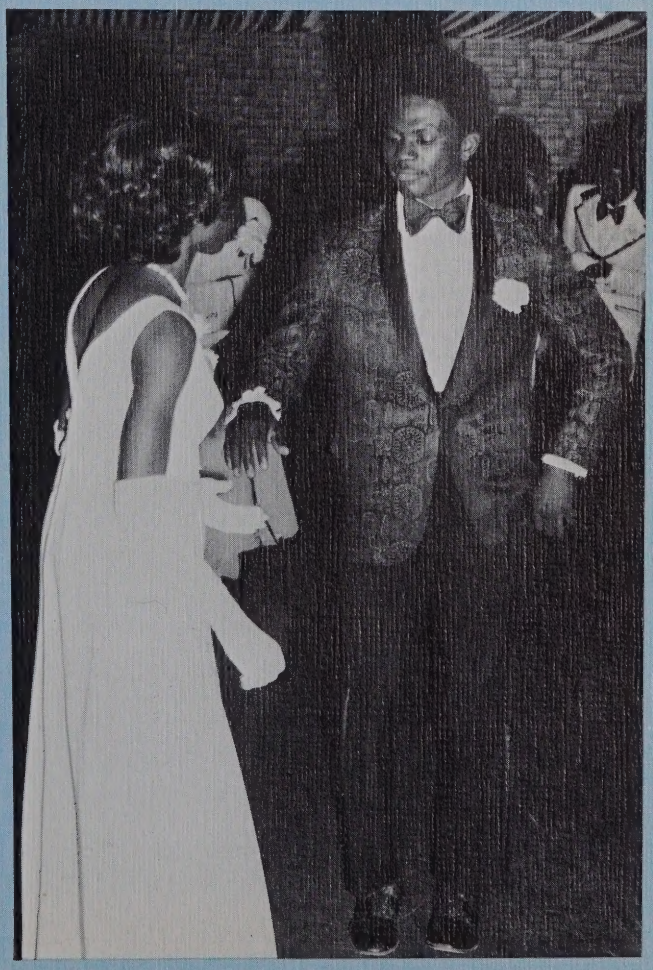
Through the efforts of the Junior class, the 1972 Junior-Senior Prom featured settings from the days of Camelot and King Arthur's court. The gym changed faces in three days from a basketball court to a castle of brick walls and knights in shining armor. Juniors, Seniors, and their dates created a successful evening as they danced and socialized in the atmosphere of Camelot.



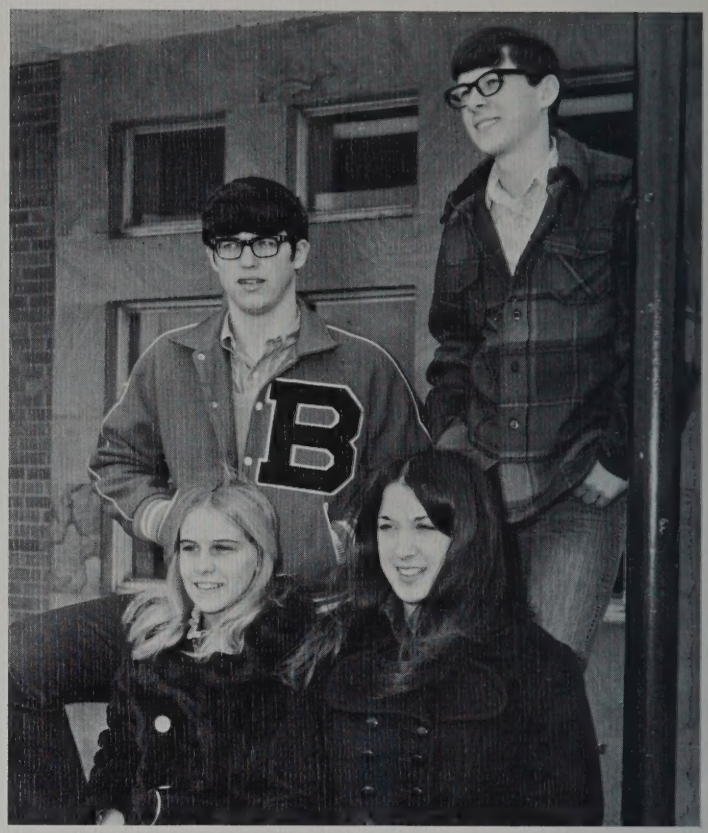
Camelot







Juniors Acquire Sense Of Leadership



Working toward the gratifying goal of a successful prom, the juniors worked hard selling magazines to increase the class treasury. Many long hours were spent operating the concession stands at basketball games, wrestling matches, and many other extracurricular activities.

In the spring, a scrumptuous banquet was held, followed by fun-filled recreation for all.

All of their hard work paid off as the juniors triumphantly created a captivating and memorable prom. The court of King Arthur came alive again in the romantic setting of Camelot.

Leading the Class of 1973 were: Bill Ross, president; Tom Mohler, vice president; Peggy Miller, secretary; and Donna Muntz, treasurer.

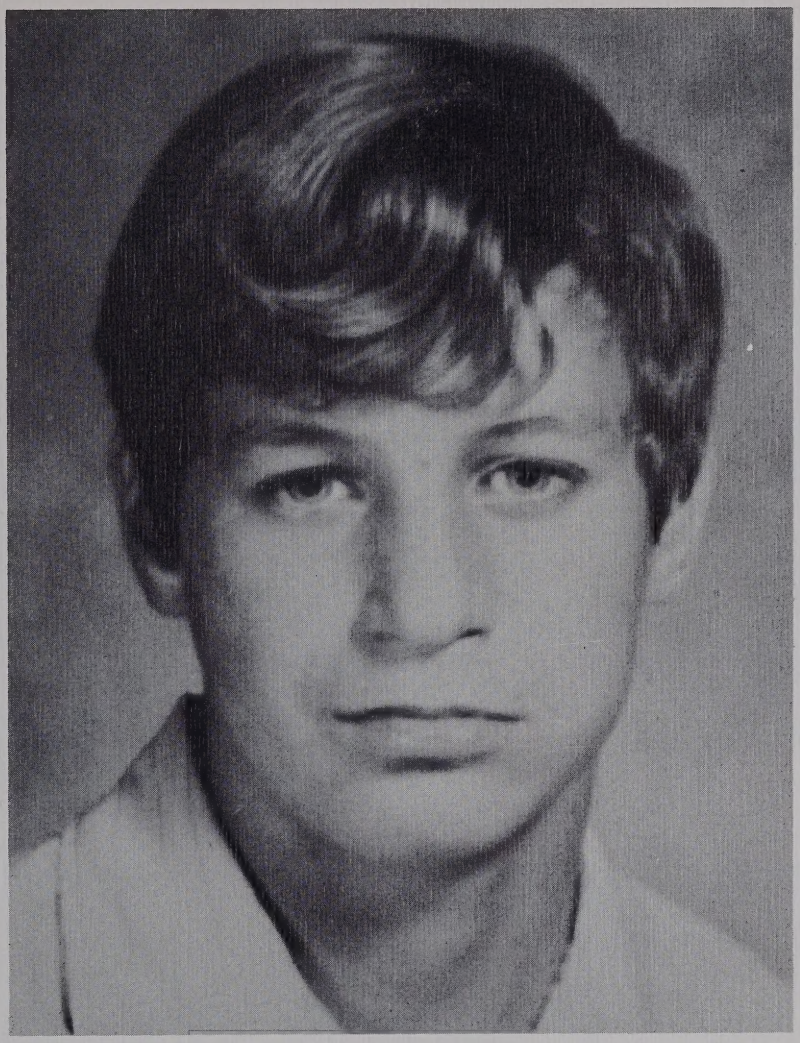
In Memoriam



Mark Beriswell

April 4, 1956 — June 11, 1971

Why do you cry, little one?
Are you frightened?
But why?
You stand on the threshhold of
A new destiny.
Open those stubborn eyes
And see the truth, little one.
Death is but the doorway to
Limitless horizons.
Don't fret, little one.
Don't you know that this life is just
A taste of lives to come?
You will return, little one,
Again and again, to renew the cycle,
In a different light each time.
So go quietly, little one,
Knowing full well that we will
Meet again in the life to come.
Still frightened, little one?
Open your eyes and go peacefully,
For God walks with you.

Sophomores Gain From New Experiences

The Class of 1974 really established itself this year by breaking tradition and giving each member of the class his choice of either a round or a square ring.

The sophomores got an early start, this year, in collecting the money they will need as upperclassmen. A Saturday afternoon bake sale, which gave a boost to the class treasury, was held at Grants.

Leading the progressive class of 1974 were: Bob Yost, Vice-President; Phyllis Stoskopf, treasurer; Laura Brysacz, Secretary; Joanie Huttinger, Secretary-Treasurer, Steve Union, President.

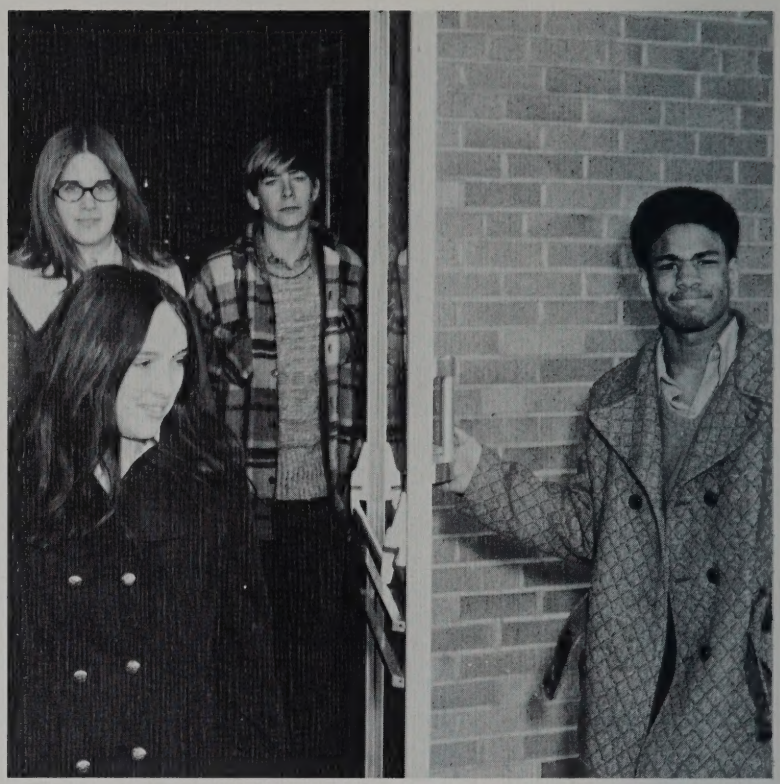
Freshman Class Is Largest



This year the freshman class took a giant step up into the new world of high school life. In the beginning, they went through the usual period of trial and error--getting lost, making new friends, and getting used to new teachers and classes--but soon they fit into and became a part of Buckeye High School.

While the year held a flurry of new and exciting experiences, the freshman are anxiously anticipating sharing the privileges of upperclassmen.

Leading the up and coming Class of 1975 were: John Medley, president; Paul Schumacher, vice president; Cheri Houston, secretary; and Mary Hahn, treasurer.

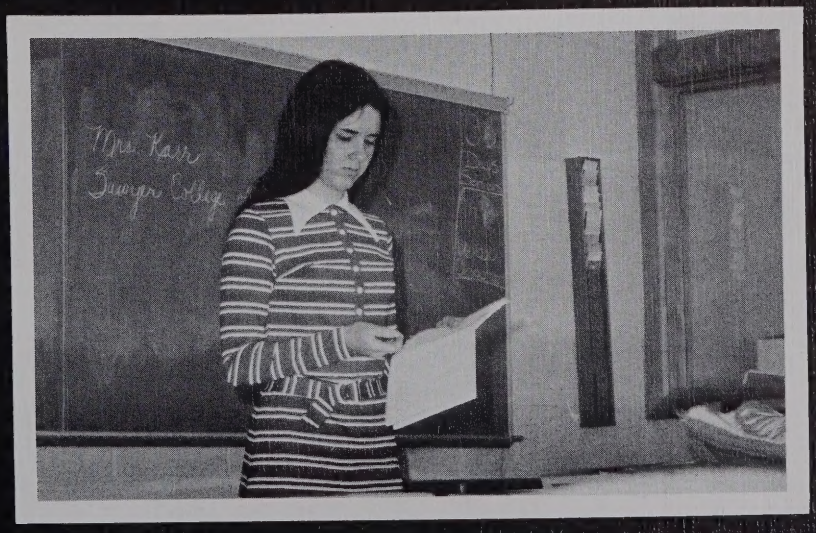
Faculty

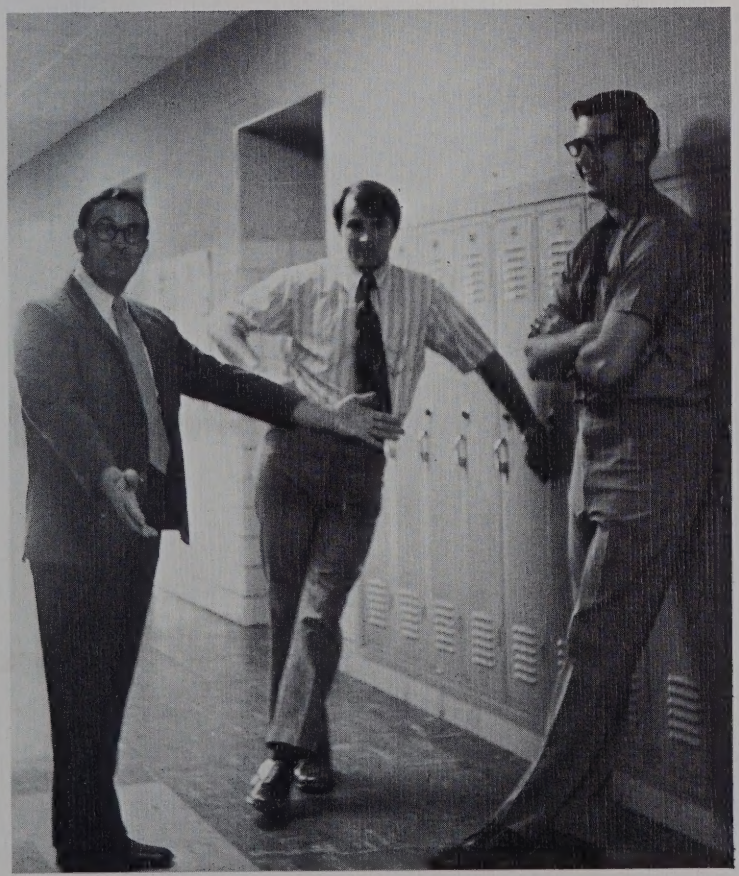


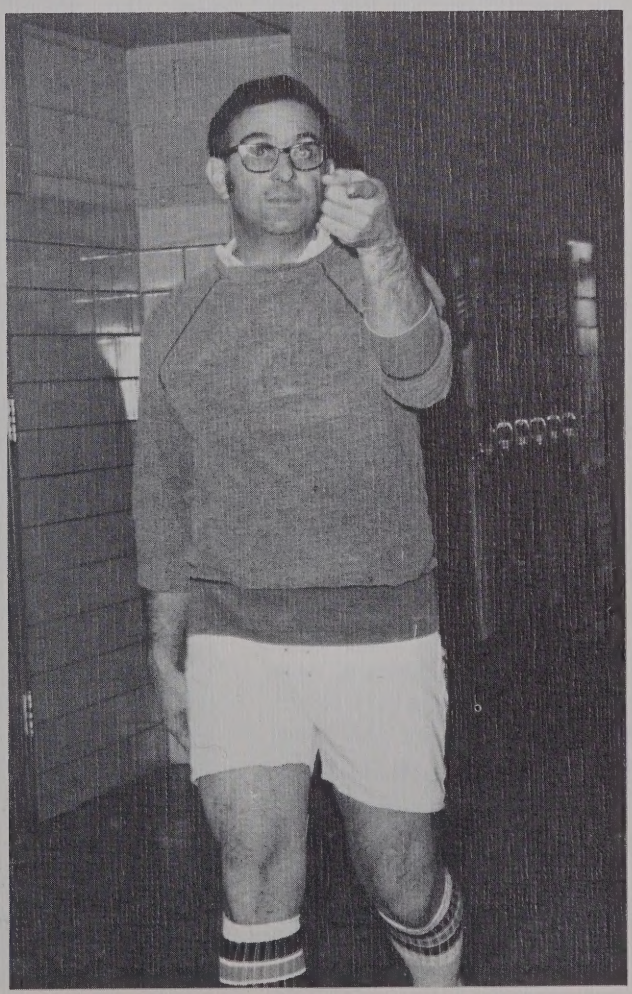
Mr. Bogard Accepts New Position

Mr. Bogard served his first year as Buckeye's superintendent during 1972, when he carried out many duties. Petitions and policies were approved by him in this capacity. He supervised construction of the new school. Mr. Bogard acts as coordinator of Litchfield, York, Liverpool Grade Schools, and Buckeye High School.

Mr. Clarico Initiates Senior Studyhall

Always ready and willing to help students and faculty alike, is our principal, Mr. Don Clarico. Although this was only his first year at Buckeye, he initiated some big changes in the school. Next year a broader curriculum and modular class system will be put into effect under his guidance. He organized a senior honor studyhall on the stage and set up several trial plans to equalize the flow of traffic in the parking area during dismissal.

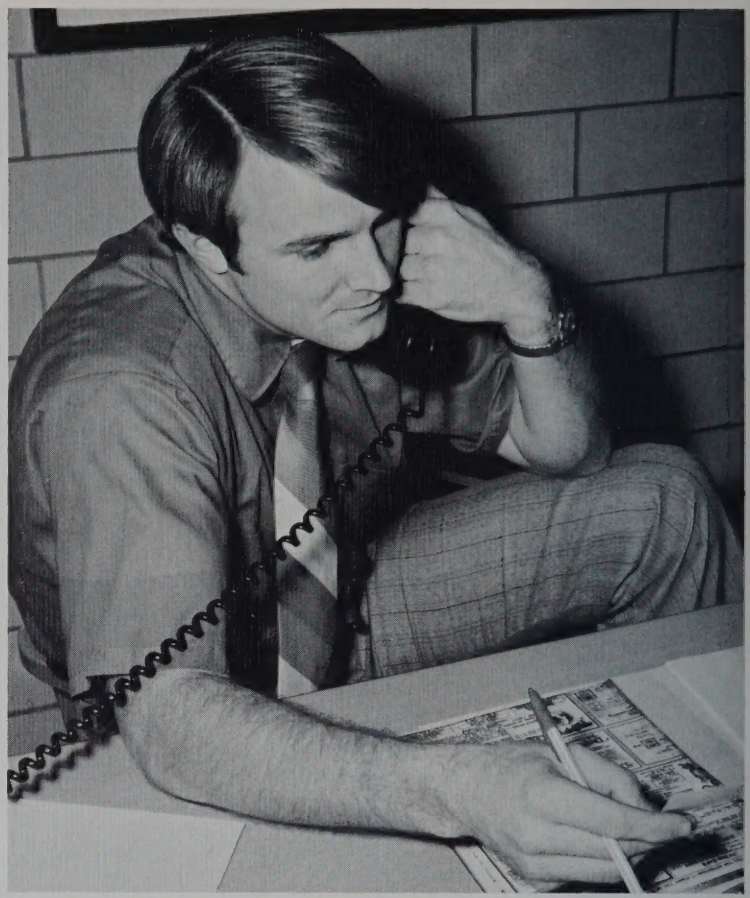




ABOVE: What's wrong with loitering in the halls during a free period? **RIGHT:** Don't you dare take that picture.

Mr. Murphy Assists Student Council

Mr. Paul Murphy, assistant principal, accepted many responsibilities in his first year at Buckeye High. Among his duties were taking charge of attendance and testing, handling primary disciplinary matters, group guidance of tenth and eleventh grades, and scheduling sophomores. As Student Council adviser he assisted in acquiring a milkshake machine and helped organize Student Council exchanges and breakfasts.



Counselor Guides Students Toward Future

Our guidance counselor, Mrs. McCoy, expresses friendliness, trust, and patience.

Mrs. McCoy helps students plan for the future ahead, by guiding students to take the right classes which will give them the knowledge and experience for their careers. Mrs. McCoy is always there to help anyone with a problem, whether it is a personal problem, or a school problem.

Secretaries Meet Office's Demands

LEFT: Mrs. Helen Schaefer acts as general secretary to the office. **ABOVE:** Mrs. Dorothy Fletcher records the finances of school organizations.

The secretaries work many busy hours striving to maintain efficiency and smoothness in the office. Just a few of their never-ending jobs are bookkeeping, filing, and typing up letters and reports.

Many girls sacrifice their studyhalls to help in the office. They keep busy answering the telephone, running errands, and helping out wherever they are needed.

School Board Focuses Attention On New School

ABOVE: Linda Beat, a D.C.T. member, acts as secretary for Mr. Bogard. **RIGHT:** Mrs. Brown works on her records as clerk of the board.

Planning and approving the best design for the new high school stood foremost at a good many of the board's meetings. After reviewing bids from various companies, the board selected one, and in March, the beginnings of the new building appeared. In addition, the board purchased a new light for the school grounds of the present building.

Mrs. LaVerne Brown, the Secretary of the Board, handled the bookwork. She was also the clerk managing the payroll and budget.

Vo-Ag And Home-Ec Explore Variety Of Skills

Mrs. Sutton instructed boys and girls of Home Economics in not just sewing and cooking, but in home nursing, child care, and cake decorating. Two of the out-of-class classes consisted of a party for preschool youngsters and a field trip to the home and flower show. Mrs. Sutton also advised the students in their spring style show.

Vocational Agriculture educated students in animal and seed identification, dairy management, carpentry, welding, farm surveying, and masonary work. Field trips to area farms made the learning interesting. Vo-Ag also teaches the importance of being responsible, dependable, and a good citizen. FFA enlarges upon the ideas of Vo-Ag as members competed in contests and worked on projects.

The English department also supervised the annual Christmas play which was written by sophomores.

French, Latin, and Spanish classes absorbed a conglomeration of language, grammar, and culture as they learned to read, speak, and write fluently. Arts Stress Creative Abilities

MRS. ELFREDA JOHNSON
Vocal Music

The fine arts department at Buckeye includes art, choir, and band. These arts inspire the development of mind, body, and spirit, which are equally important to academic curriculum.

As one walks through the halls, he catches a glimpse of the creative art work done under the supervision of Mrs. Hammon.

Each year the band and choir work diligently to display their talents for the benefit and enjoyment of the students and the public. These activities help the students to express themselves through the inspiring mood of music.

Science Department Wins Award

The science department studies matters of ecological importance. While in general science, a student learns about energy, matter, weather, and stars. Biology teaches its students about such things as animals and life. Mr. Lewis teaches both of these subjects, while Mr. Leget instructs his students in earth science and chemistry. Students learn about layers of the earth, rocks, and topigraphical features in earth science. Chemistry teaches its pupils about chemicals and how they are used in today's world.

The science department, under the direction of Mr. Lewis and Mr. Leget, also received an award. For an outstanding science program, the Ohio Academy of Science and the Battelle Memorial Institute awarded the Buckeye department with the Fredrick K. Krecker award.

Juniors learned the story of our nation through U.S. History as it enabled students to understand the past and present of the United States.

P.O.D., a course required by seniors, engaged them in a study of U.S. government and Russia. The students learned to do income tax and gained a deeper realization of Russia and what made it what it is today.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.

While this yearbook grasps only small portions of the full 71-72 school year, the staff has worked in the effort to portray the many constructive activities in which the young adults of Buckeye were involved.

I would like to thank the faculty for their patience and cooperation with the various interruptions that were necessary for our yearbook. I also appreciated the efforts of Mr. Clarico in making the arrangements for our yearbook operations to move to a more spacious room. A special thanks to Scott Shelton and Terry Striker, as well as my staff members, who devoted time during Christmas vacation to paint and put our new room in working order.

In conclusion, I present the 1972 Reflector to you, the reader.
